

### **FENS grant and voucher programme**

FENS and its member societies are pleased to announce the grant and voucher programme in support of member scientists to attend the FENS 2020 Virtual Forum. 800 grants of 75 EUR each are available to FENS member scientists that have been negatively impacted by the Covid-19 crisis.

The deadline to apply is 12 May 2020. All details on eligibility and the application process can be found on the FENS website:

<https://www.fens.org/en/Meetings/Meetings-Grants--Stipends/FENS-Virtual-Forum-Grant-and-Voucher-Programme/>

The grants and voucher programme is available to scientists that have already registered to the FENS Forum as well as non-registered members. If you are a FENS member and have already registered for the Forum or are planning to do so, we highly encourage you to apply for this programme and take advantage of the reduced fee for participation.

With best wishes
