### **1. FENS Virtual Forum**

The FENS Virtual Forum takes place from 11-15<sup>th</sup> July. For latest news and updates please visit the official website: <https://forum2020.fens.org/>.

### **2. ANA Grants for Virtual FENS Meeting 2020 - Deadline: 25th May**

ANA strongly encourages its members to participate and contribute to the virtual meeting. To promote this 35 grants for PhD students and young Postdocs (within 3 years from when they obtained their Doctoral degree), who are members of ANA, to cover up to 75% of the registration fee (calculated on the basis of the Student Member fee) are available. Deadline for applications:

25th May 2020. Please send the following documents to the ANA Secretary René Seiger ([rene.seiger@meduniwien.ac.at](mailto:rene.seiger@meduniwien.ac.at)):

- 1) Abstract
- 2) CV including list of publications (if any)
- 3) Letter of motivation
- 4) Support letter of supervisor (not obligatory)

### **3. Contribute to the ANA Blog!**

Please be aware that **all ANA members** are encouraged to contribute to the ANA blog on the ANA website: <https://www.austrian-neuroscience.at/Blog>. In this section you can share your latest research, conference announcements, ongoing activities related to your laboratory or neuroscience related news in general.

### **4. Keep connected to ANA via Social Media:**

FB: <https://de-de.facebook.com/Austrian.Neuroscience.Association/>

Twitter: <https://twitter.com/austrianneuros1?lang=de>

LinkedIn: <https://at.linkedin.com/in/austrian-neuroscience-association>

## **5. ANA Partners**

Several companies support our activities as our ANA Partners. With an annual fee of 300 € they also enjoy benefits, such as reduced fees when exhibiting at our meeting. We encourage you to give preference to these companies whenever you buy equipment and consumables. We are also asking your support in finding new partners, as only with such sponsorship we are able to maintain our services on the long run.
