- [4. Cajal courses and neurokits](#)
- [5. Running a Brain Awareness Week event in 2021](#)
- [6. History of Neuroscience Online Projects](#)
- [7. FENS EJM Award](#)

### **1. Best Thesis Award**

You graduated! This is the moment to reap the honors for your hard work and solid scientific achievements. Do not miss the chance to apply for the ANA's “**Best Thesis Award**”. Submissions are for dissertations successfully defended between January 1st and December 31st of the year 2020. The call will be open from **1 to 31 January 2021** with a prize money of € 500. Please find more information on the [ANA page](#) and apply!

## 2. Otto Loewi Award

The **Otto Loewi Award** is a prestigious award for neuroscience research in Austria provided biannually by the Austrian Neuroscience Association. The aim of the award is to honor outstanding scientific contributions in an active field of neuroscience with a prize money of € 5.300. The call will be open from **1 April to 15 May 2021**. Please visit the grants and prizes section of the ANA website or click [here](#) for more detailed information.

## 3. FENS-Kavli Network: call for 2021-2025 cohort

The **FENS-Kavli Network of Excellence (FKNE)** is a dynamic and prestigious network of 30 outstanding early to mid-career European neuroscientists. The FKNE aims to improve neuroscience in Europe and beyond through scientific exchange, providing opportunities for early career scientists, and facilitating dialogue between scientists, policy-makers and society. For more information see here: <http://fenskavlinetwork.org/>

Nomination deadline: 30 January 2021

## 4. Cajal courses and neurokits

Deadlines for application for several Cajal courses and neurokits are approaching.

Deadlines: **7 December, 20 December and 4 January**

Visit the Cajal website for further information:

<https://www.fens.org/Training/CAJAL-programme/>

## 5. Running a Brain Awareness Week event in 2021

FENS is organising an online workshop to provide useful tips for those who are interested in organising a BAW event in 2021.

Register before: **7 December**

Full details and registration:

<https://www.fens.org/News-Activities/News/2020/11/Online-workshop-BAW-2021/>

## **6. History of Neuroscience Online Projects**

The History Committee is launching its annual call for projects documenting the history of neuroscience. Funding is available.

Apply before: **15 December**

More information:

<https://www.fens.org/Outreach/History/History-Online-Projects/>

## **7. FENS EJM Awards**

The nominations for the FENS EJM Award 2022 are now open.

Submit your nomination before the deadline of **18 December**
